Product discontinuation - Multi-purpose spray 75ml (G.990/75)

The multi-purpose spray G.990/75 must no longer be used on KESO KEK mechatronic cylinders with immediate effect. This article is no longer available.

We request that you only use the new 56ml KESO Spray (G.992/56/10) on mechatronic cylinders with immediate effect. This is now freely available in sufficient quantities.

We thank you for your kind attention and for placing your trust in KESO products.

Best regards,
KESO AG
